Cur síos ar an tseirbhís

Tá Naíonra Chluidín na mBabáí lonnaithe ar thailte Chumann Lúthchleasaíochta Gael (CLG) agus club Liathróid Láimhe i mBaile Chláir, in oirthiar Chontae na Gaillimhe. Feidhmíonn an tseirbhís seisiúnach trí mheán na Gaeilge. Tá an tseirbhís faoi rialú Chomhar Naíonraí na Gaeltachta. Cuirtear clár cúram agus oideachais Luath-Óige (ECCE) agus cúram seisiúnach ar fáil ó Luan go hAoine, ó 9.15am go 12.15pm. Cuirtear curaclam ar fail a bhaineann le spraoi agus a dhíríonn ar spéiseanna na bpaistí atá ag teacht chun cinn. Oibríonn an tseirbhís réamhscoile as seomra súgartha amháin i gclubtheach an CLG sin an Naíonra. Tá teacht ag an tseirbhís réamhscoile ar limistéar súgartha lasmuigh atá ar chúl an chlub liathróid láimhe. Tá rochtain ag na páistí freisin faoi mhaoirseacht ar an bpáirc peile le haghaidh siúlóidí dúlra, aclaíochta, taiscéalaíocht agus spraoi.

Soláthar foirne

Tá an soláthraí cláraithe neamh uimhriúl agus ní ar an áitreabh ar bhonn laethúil. Tá duine ainmnithe i gceannas agus tá leas-dhuine ainmnithe ann más gá. Bhí beirt fhoireann ann gan an soláthraí cláraithe a bheith ag obair ann agus iad ag tabhairt aire go díreach do na leanaí sa tseirbhís. Ina theannta sin, bhí mac léinn amháin os cionn 18 mbliana d'aois a bhí faoi mhaoirseacht i gcónaí agus í ar shocrúchán oibre ón gcoláiste. Tá mórdhámhachtain ar a laghad ag an mbeirt fhoireann seo i gCúram agus in Oideachas na Luath-Óige ag Leibhéal 6 agus 7 ar an gCreat Náisiúnta Cáilíochtaí, nó cáilíocht a mheasann an tAire a bheith coibhéiseach. Tá fianaise dhoiciméadach ag an bhfoireann maidir le hoiliúint agus oideachas leanúnach.

Modheolaíocht

Is í Cigireacht na Luathbhlianta, Tusla, rialtóir reachtúil neamhspleách ar sheirbhísí luathbhlianta in Éirinn. Sainmhínítear i Rialacháin an Achta um Chúram Leanaí 1991 (Seirbhísí Luathbhlianta) 2016 dualgas an tsoláthraí chláráithe sábháilteacht agus folláine leanaí a chinntiú agus cloí leis na riachtanais seo. Tugann an tAcht seo údarás do Tusla measúnú a dhéanamh ar chomhlíonadh leis na rialacháin. Is é is aidhm le rialáil maidir le seirbhísí óige ná a chinntiú go seastar le cúram, sábháilteacht, agus folláine na leanaí a fhreastalaíonn ar na seirbhísí seo.

Pleanáiltear cigireachtaí ar sheirbhísí luathbhlianta bunaithe ar na pointí seo a leanas:

- Stair chigireachta na seirbhíse
- Eolas ar bith a fhaightear maidir leis an tseirbhís
- Tá torthaí na cigireachta bunaithe ar:
 - Eolas a fhaightear trí dhoiciméid a imscrúdú
 - Breathnú díreach
 - Plé le baill foirne ábhartha

Ba chigireacht neamhfhógartha é seo, agus díriodh ar rialachas sláinte, folláine agus forbairt an linbh, sábháilteacht, áitreabh agus saoráidí lena linn. Féadfaidh cigireacht díriú ar réimsí eile chomh maith, de réir mar is gá.

Tugtar breac-chuntas ar na torthaí seo sna rialacháin ábhartha sa tuarascáil seo.

Ar iniúchadh, áfach, sainaithníodh neamhchomhlíonadh breise a bhí i mbaol faoi

Rialachán 9 (2)(a)(d) Bainistiú agus Earcaíocht,

Rialachán 23 Sláinte, Sábháilteacht agus Leas Leanaí a Choimirciú,

Rialachán 26 (1)(b) Bearta um Shábháilteacht ó Dhóiteán

Rialachán 29 (d) Áitreabh. Tugtar breac-chuntas ar na torthaí seo sna rialacháin ábhartha sa tuarascáil seo.

Leagtar amach torthaí na cigireachta sa tuarascáil maidir leis an gcigireacht a eisítear mar dhréacht-tuarascáil ar dtús chuig an tseirbhís, agus bíonn deis ag an tseirbhís freagra a thabhairt ar thorthaí ar bith a luaitear inti. I gcás go sainaithnítear nach bhfuil ceanglais reachtúla á gcomhlíonadh, ní mór don soláthraí cláraithe léiriú a thabhairt ar an mbealach a réitíodh an neamhchomhlíonadh agus mar a chuirfear cosc ar an neamhchomhlíonadh amach anseo. Úsáidfean an plean um Ghníomh Ceartaitheach agus Gníomh Coiscitheach (CAPA) chun bonn eolais a chur le cinntí maidir le comhlíonadh le ceanglais rialála. I gcás nach n-éiríonn leis an soláthraí cláraithe na ceanglais reachtúla a chomhlíonadh, féadfar próiseas géaraithe a thosú.

Forchoimeádann an Chigireacht an ceart chun eagarthóireacht a dhéanamh ar fhreagraí a fhaightear ar chúiseanna éagsúla lena n-áirítear soiléireacht; iomláine; agus chun próisis riaracháin agus dlíthiúla a chomhlíonadh.

Is í an Chigireacht a thiomsaíonn ábhar na tuarascála.

Buíochas

Is mian leis an gcigire buíochas a ghabháil leis an duine i gceannas, leis an ball foirne breise, an mic léinn agus leis na leanaí a bhí i láthair ar lá na cigireachta as a gcomhoibriú ar fad.

Inspection undertaken by:	F Nic Dhonnacha		
Title:	Early Years Inspector		
Authority to Inspect			
The Tusla Early Years Inspectorate carries out inspections of Early Years Services under Section 58(J) of the Child Care Act 1991 (as inserted by Section 92 of the Child and Family Agency Act 2013).			
Conditions if applicable	Not Applicable		

Description of service

Naíonra Chluidín na mBabaí is located on the grounds of a Gaelic Athletics Association (GAA) and Handball club in Claregalway, county Galway. The sessional service operates through the medium of Irish. The service is under the governance of Comhar Naíonraí na Gaeltachta. An Early Childhood Care and Education (ECCE) and sessional care programme is offered Monday to Friday, from 9.15am to 12.15pm. A child centred play-based curriculum focusing on emerging interests was provided. The pre-school service operates one playroom namely an Naíonra from a room in the GAA club house. The pre-school service has access to shared outdoor play area to the back of the handball club. The children also have access under supervision to the football pitch for nature walks, exploration and fun.

Staffing

The registered provider is supernumerary and not on the premises on a daily basis. There is a designated person in charge and there is a named deputy person if and when required. There were two staff not including the registered provider working and caring directly for the children in the service. Additionally, there was a student over the age of 18 years who was supervised at all times while on a college work placement. These two staff hold at least a major award in Early Childhood Care and Education at Level 6 and 7 on the National Qualifications Framework, or a qualification deemed by the Minister to be equivalent. The staff have documentary evidence of on-going training and education.

Methodology

Tusla's Early Years Inspectorate is the independent statutory regulator of early years services in Ireland. The Child Care Act 1991 (Early Years Services) Regulations 2016 define the duty of a registered provider to ensure the safety and well-being of children and to comply with these regulations. This Act also gives Tusla the authority to assess compliance with the regulations. The purpose of regulation in relation to early years services is to ensure that the care, safety, and well-being of children attending such services is upheld. Inspections of early years services are planned based on the following:

- Previous inspection history
- Any information received in relation to the service

The findings on inspection are based on:

- Information obtained through examination of documentation
- Direct observation
- Discussion with relevant staff

This inspection was unannounced and focused on the area of governance, health, welfare and development of child, safety and premises and facilities. The inspection may also focus on other areas as required.

On inspection additional non-compliances which posed a risk were identified under

Regulation 9(2)(a)(d) Management and Recruitment,

Regulation 23 Safeguarding Health, Safety and Welfare of Child,

Regulation 26 (1)(b) Fire Safety Measures

Regulation 29 (d) Premises. These findings are outlined within the relevant regulations within this report.

Inspection findings are documented in the inspection report which is first issued in draft format to the service with an opportunity to respond to any findings. Where statutory requirements are identified as not being met, the registered provider must demonstrate how they have rectified the non-compliance and will prevent any non-compliance from re occurring. The Corrective Action and Preventive Action plan (CAPA) will be used to inform decisions about compliance with regulatory requirements. Where the registered provider fails to meet the statutory requirements an escalation process may be commenced.

The inspectorate reserves the right to edit responses received for reasons including clarity, completeness and compliance with administrative and legal processes.

The contents of the report are compiled by the inspectorate body.

Acknowledgments

The inspector wishes to acknowledge the cooperation of the *registered provider, person in charge, staff and children* who were present on the day of the inspection.

Part III – Management and Staff

Regulation 9 – Management and recruitment

(1) A registered provider shall ensure that-

- (a) the service has a designated person in charge and a named person who is able to deputise as required,
- (b) at all times during the period when the pre-school service is being carried on, the designated person in charge or the named person referred to in subparagraph (a) is on the premises, and

(2) A registered provider shall ensure that each employee, unpaid worker and contractor is suitable and competent taking into consideration the nature of the needs of children, including by-

- (a) consideration of references from the person's past employers, if any, and in particular the most recent employer, if any,
- (b) consideration of references from reputable sources in the case of a person who has no past employers,
- (c) consideration of the vetting disclosure received from the National Vetting Bureau of the Garda Síochána in accordance with the Act of 2012 in respect of the person, and
- (d) ensuring, insofar as is practicable, that where a person has lived in a state other than the State for a period of longer than 6 consecutive months, he or she provides police vetting from the police authorities in that state.

(4) A registered provider shall ensure that, without prejudice to the generality of paragraph (2) and subject to paragraphs (5) and (6), each employee working directly with children attending the service holds at least a major award in Early childhood Care and Education at Level 5 on the National Qualifications Framework or a qualification deemed by the Minister to be equivalent.

Compliance Information

(1) (a) There was a designated person in charge and a person who was available to deputise as required.

- (b) Both the person in charge and the person who is assigned as deputy were available throughout the inspection.

Six files were available in respect of the person in charge, the additional staff member and the student who was on a college work placement. The findings included the following:

(2)(a) Three of six validated references were sourced from a past employer.

- (b) One of six validated references were obtained from a source other than a past employer.

- (c) Garda vetting disclosures had been obtained for the two adults and student on a college work placement. The service also demonstrated compliance with the Early Years Inspectorate Regulatory Notice requiring services to renew Garda vetting every three years.

(d) International police vetting was required for 1 adult who lived in another state for a period longer than 6 months while over the age of 18 years.

Non-Compliance Information

(2)(a) Two written references from a past employer for one adult were not validated.

(c) International police vetting was not available for 1 adult who lived and worked in another state for a period longer than 6 months while over the age of 18 years.

Corrective & Preventive Action submitted by the Registered Provider

On the 9/06/2025 and 10/06/2025 the registered provider advised of the following.

Corrective and Preventive Action

(2)(a) The two written references were validated immediately. The person in charge will ensure all files are reviewed and checked before an employee or student commences work in the service.

(c) An application was made for police vetting for one adult. They will ensure that all staff or student files will be checked appropriately before commencement of work in the preschool.

Supporting documentation submitted

A copy of the validated references.

A copy of the police vetting certificate.

Summary Comment

The inspector has reviewed the actions and evidence submitted. The non-compliance identified under Regulation 9 (2)(a) and (9) (2) (c) has been adequately addressed.

Part III – Management and Staff

Regulation 11 - Staffing levels

(1) Subject to this Regulation, a registered provider shall ensure that there is at all times an adequate number of adults working directly with the children attending the pre-school service.

(3) Subject to paragraph (5), a registered provider of a sessional pre-school service shall ensure that at all times the minimum ratio of adults to children specified in column (3) of Part 2 of Schedule 6 opposite a particular reference number specified in column (1) of that Part in respect of the age range of the children specified in column (2) therefore at that reference number is satisfied.

(8) Without prejudice to paragraphs (2) to (7)-

(c) a registered provider of a sessional pre-school service shall ensure that, where the person in charge operates the service single-handedly, a second person familiar with the operation of the service and in a position to provide assistance to the person in charge in operating the service is, at all times, within close distance of the service and available to attend the service to assist the person in charge in the event of an emergency.

Compliance Information

(1) There were an adequate number of adults working directly with children attending the service.

There were 2 adults and 1 student who was on a college work placement and was supervised while caring for 10 preschool children during the operational hours of the service.

(3) The person in charge ensured that the correct adult to child ratio was maintained at all times during the sessional session.

(8)(c) Documentary evidence shows that two staff members work in the service during the opening hours each week. The service is not operated single handedly.

Part V - Care of Child in Pre-school Service

Regulation 19 - Health, welfare and development of child

(1) A registered provider shall, in providing a pre-school service, ensure that-

(a) each child's learning, development and well-being is facilitated within the daily life of the pre-school service through the provision of the appropriate activities, interaction, materials and equipment, having regard to the age and stage of development of the child, and

Compliance Information

Basic Needs

(1) (a)

- Healthy eating was promoted within the service. The food observed was healthy and nutritious.

- The snacks provided by parents and guardians consisted of a selection of sandwiches, brown bread, cheese, ham, rice cakes, yogurts, crackers and pieces of fruit.
- The childrens water bottles were available and accessible throughout the session.
- Children were observed enjoying snack time. The children were afforded plenty of time to enjoy their snack and meals in a relaxed and unhurried environment.
- Children were encouraged and supported to manage their own personal care appropriate to their own level of independence.
- All the children were toilet trained and either toileted independently or with some assistance as required. The dignity of children using the toilet was preserved.
- The staff supervised children’s hand washing before snack time, after toileting, after blowing their noses, after outdoor play and prior to going home.
- Children had plenty of opportunities to move about freely, exploring their environment and improving their emerging skills such as coordination and balance.
- All the children had the opportunity to play outside on the day of the inspection. These children were appropriately dressed wearing hats and coats when playing outside.

Supporting Relationships

- Following discussion with the staff the inspector was advised that the service had shared policies with parents and guardians at the beginning of the year during the enrolment of a child. The service provided the parents with handbook and information about the service and Comhar Naíonraí na Gaeltachta.
- The preschool provided a monthly newsletter to the parents and guardians of the upcoming news, themes and learning planned for the children.
- A key person system was in place for each child to support their development and to inform curriculum planning. Documentary evidence indicated that the role of the key person was also to liaise with parents and guardians.
- On speaking with staff, the inspector was informed that they verbally provided parents with daily information on their child’s experiences in the pre-school. This information was provided at collection and drop off times, via text messages and by phone calls. The preschool also has a new online childcare application. This platform was used to share learning information pictures, themes and events the children are involved in with the parents and guardians.

- Additionally, classroom learning journals showed photographs of children involved in activities, the themes the children engaged in and staff observations.
- Each child had an individual scrapbook or journal and copy books showing their individual art and craft work, drawings and writings.
- There was evidence of short, medium and long-term curriculum planning on the notice board in the playroom. The programme of care was flexible and guided by the children's choices. The themes of the week included the easter and springtime.
- The staff were observed to be caring and supportive in their interactions with the children. During observed interactions, the staff demonstrated that they knew the children well, recognising and valuing their individual interests, needs and learning. The staff were observed to be interested in the children, spoke in low tones, listened to them and responded to their requests. The staff interacted in a positive way with the children e.g., they sat at the children's level, maintained good eye contact, showed empathy and a good understanding of each child.
- In the playroom, the children engaged in free play, story time, tabletop activities and making mini chocolate eggs for easter holidays.
- The children chatted to the inspector about their day and talked about their families, likes and past times.
- On the day of inspection all children played outside at the rear of the pre-school. These children were observed playing with transport vehicles, riding on scooters and trikes, playing football, playing with sand in the sand basin and building blocks.

Part VI - Safety

Regulation 23 - Safeguarding health, safety and welfare of child

A registered provider shall ensure that all reasonable measures are taken to safeguard the health, safety and welfare of a pre-school child attending the service and that the environment of the service is safe.

Compliance Information

General Safety:

- The main entrance door into the pre-school playroom was secured to prevent unauthorised access by a person or the unsupervised exiting by a pre-school child.
- The outdoor play area was secure with gates, staff supervise the children while in the outdoor play area.

- All cleaning agents and equipment were stored inaccessible and out of children's reach in the naíonra playroom.
- All toys and play equipment were observed to be safe and in good condition.
- Fire doors were unobstructed.
- The temperature of the playroom was recorded and maintained within the recommended room temperature of 18°C -22°C.
- There were storage areas inside the entrance of the playroom with individually labelled hooks for the children's coats and bags; thereby preventing a trip hazard.

Infection Control:

- There were two wash hand basins and two toilets in the sanitary area adjacent to the playroom, for the pre-school children to use. Additionally, there was a separate wash hand basin in the playroom.
- During the inspection, the children were assisted and encouraged to wash their hands prior to eating, after toileting, after using a tissue, after playing outdoors and on entry and exiting the pre-school service.
- A supply of tissues was readily available indoors and in the outdoor play area.

Safe Sleep:

- The children had access to a cosy corner to rest and relax on soft couches and to look at a book if they choose to.

Fire Safety:

- The fire assembly point was clearly visible on the day of inspection to the side of the premises.

Non-Compliance Information

General Safety:

- (1) The water in the wash hand basin used by three children in the playroom on the day of inspection was not thermostatically controlled. The reading was greater than the recommended temperature of 43 °C this poses a risk of scalding a preschool child. The water temperature was reading 45.4°C. at 11.33am.

Action submitted by the Registered Provider

On the 9/06/2025 and 10/06/2025 the registered provider advised of the following

Corrective & Preventive Action

General Safety:

1. A new thermostat was installed to control and regulate the hot water in the wash hand basin in the playroom. The service will keep a record of the temperature of the water each day to make sure the correct temperature is maintained for the preschool children.

Supporting documentation submitted

General Safety:

A photograph of the new thermostat was submitted.

Summary Comment

The inspector has reviewed the actions and evidence submitted. The non-compliance identified under Regulation 23 General Safety point 1 has been adequately addressed.

Part VI - Safety

Regulation 25 - First aid

(1) A registered provider shall ensure that a person trained in first aid for children is, at all times, immediately available to the children attending the pre-school service.

(2) A registered provider shall ensure that a suitably equipped first aid box for children-

(a) is safely stored in an easily accessible and conspicuous position on the premises, and

(b) is available to the children attending the pre-school service at all times.

Compliance Information

- (1) The service provided evidence that a person trained in first aid for children was available to the children attending the pre-school service. The service provided evidence that two staff were trained in first aid responder and were available to the children attending the pre-school service.
- (2)(a) The service had a large first aid box with content items in date. It was stored in an easily accessible and conspicuous position in the Náionra playroom on top of a press.
- (b) The service demonstrated that the first aid box was fully equipped and available to the children attending the pre-school service.

Part VI - Safety

Regulation 26 - Fire safety measures

- (1) A registered provider shall ensure that a record in writing is kept of-
- (a) any fire drill that takes place in the premises, and
 - (b) the number, type and maintenance record of firefighting equipment and smoke alarms in the premises.
- (4) A notice of the procedures to be followed in the event of fire shall be displayed in a conspicuous position in the premises.

Compliance Information

- (1)(a) Written records of fire drills were kept in relation to any fire drills that took place in the premises. Records indicated the last fire drill record was dated on 2/04/2025.
- (b) Records were available in relation to the number, type, and maintenance of fire-fighting equipment with the last annual service check dated 4/09/2024.
- The last annual service date was the installation report for the smoke and fire detection alarm system dated 4/03/2023.
- (4) Notices were displayed within the service of the procedures to be followed in the event of fire.

Non-Compliance Information

- (1)(b) There was no evidence of an annual service or maintenance of the fire detection alarm system since it was installed in March 2023. This poses a potential safety risk to the staff and children in the preschool service.

Corrective & Preventive Action submitted by the Registered Provider

On 9/06/2025 and 10/09/2025 the registered provider advised of the following.

Corrective and Preventive Action

A service of the fire detection and alarm system was carried out by a competent person and a service certificate was issued to the preschool.

An annual service will be organised each year going forward and records maintained.

Supporting documentation submitted

A copy of the fire detection and alarm system service was submitted to the office of the early years inspectorate.

Summary Comment

The inspector has reviewed the actions and evidence submitted. The non-compliance identified under Regulation 9 26 (1)(b) has been adequately addressed.

Part VI - Safety

Regulation 28 - Insurance

A registered provider shall ensure that the pre-school service is adequately insured.

Compliance Information
