Inspection Due to a Proposed Change of Circumstances

Authority to Inspect

The Tusla Early Years Inspectorate carries out inspections of Early Years Services under Section 58(D) of the Child Care Act 1991 (as inserted by Section 92 of the Child and Family Agency Act 2013).

Description of Service	<p>Ionad Curam Lenaí na Dromoda is a purpose-built community based early years service that is registered to provide full day care to children between 0 and 6 years. The service is currently catering for children over 1 year. The service is registered to cater for 40 children. The service provides school aged care in the Iar Scoile room formerly known as the arts and crafts room. The inspector was informed that 2 rooms will be allocated to the care of early years children namely the creche and the proposed room named Naiolann a Dó. There is office space, a kitchen, a sleep room and designated sanitary accommodation both for the children and for the adults.</p>
Premises	<p>The service operates 2 playrooms, the creche located from a purpose-built single-story premise and a 2nd playroom within the Aonad a hAon building located adjacent to the purpose-built single-storey premise. The proposed change of playroom which will be named Naiolann a Dó is located in the purpose-built single storey building. The children have access to two enclosed outdoor play areas located to the rear and the side of the registered building at alternate times to the children who attend another sessional service within the building.</p>
Staffing	<p>There are currently 6 adults employed in the service of which one is the registered provider.</p>
Methodology	<p>The inspection was an announced inspection to assess compliance with the Childcare Act 1991 (Early Years Services) Regulations 2016 and Childcare Act 1991 (Early Years Services) (Amendment) Regulations 2016. The Inspection focused on regulations under the following themes: Governance, Health, Welfare and Development of the child, Safety and Premises.</p> <p>The findings on inspection based on information obtained through examination of documentation, direct observation, and discussion with relevant staff are documented in the inspection report and taken into consideration when making a decision in relation to</p>
