Description of Service:

Carols Afterschool is a privately owned standalone school age service located in Ransboro, Co. Sligo. The service is registered to provide school-aged care to children aged 4 to 12 years. The service opens from 08:00 to 09:00 and from 13:30 to 18:00 from Monday to Friday. The service operates out of Coolera/Strandhill GAA grounds and rooms include two care rooms on the first floor of the clubhouse and a prefabricated cabin, located adjacent to the clubhouse. Outdoors, an astro covered sports ground, a grass area and the tarmac-covered grounds of the clubhouse are available for outdoor play. Sanitary accommodation for children and adults are available on site.

There are ten adults employed in the service, including the registered provider. Of the ten adults, eight work directly with the children on a daily basis. The registered provider is available to provide oversight and support and attended the service to facilitate the inspection. One adult is employed to provide administration support to the service and does not work on site.

Legislation

Tusla's Early Years Inspectorate is the independent statutory regulator of School Age Services in Ireland, and its role is to promote and monitor the safety and quality of school age care provision in accordance with the following legislation:

- The Child and Family Agency Act 2013, Part 12.
- Child Care Act 1991 (Early Years Services) (Registration of School Age Services) (Amendment) Regulations 2022.
- The Child Care Act 1991 (Early Years Services) Registration of School Age Services Regulations 2018 (S.I. 575 of 2018).

A school age service means any early years service, play group, day nursery, crèche, day-care or other similar service which:

- caters for children under the age of 15 years enrolled in a school providing primary or post-primary education,
- provides a range of activities that are developmental, educational and recreational in manner, which take place outside of school hours, the primary purpose of which is to care for children where their parents are unavailable, and
- the basis for access to which is made publicly known to the parents and guardians of the children referred to in point (a) above.

It is the responsibility of a registered provider to ensure the safety and well-being of school age children and the above legislation authorises Tusla to assess compliance with the Regulations.

Inspection Methodology:

The inspection is unannounced to assess compliance with the Child Care Act 1991 (Early Years Services) Registration of School Age Services Regulations 2018 (S.I. 575 of 2018), Child Care Act 1991 (Early Years Services) (Registration of School Age Services) (Amendment) Regulations 2022, and the Child Care Act 1991, Section 58 as amended by Part 12 of the Child and Family Agency Act, 2013.

The findings on inspection are gathered through a triangulation method, including:

- Information obtained through examination of documentation.
- Direct observation.
- Discussion with relevant staff.

This inspection aims to determine the extent to which service is appropriate for the care, safety, and wellbeing of children in accordance with the regulations cited above.

Inspection findings are documented in the School Age Services inspection report which is first issued in draft format to the service with an opportunity to respond to any findings. Where statutory requirements are identified as not being met, the registered provider must demonstrate how they have corrected the non-compliance and how they will prevent them from re occurring. The Corrective Action and Preventive Action plan (CAPA) will be used to inform decisions about compliance with regulatory requirements. Where the registered provider fails to meet the statutory requirements, an escalation process may be commenced.

The Inspectorate reserves the right to edit CAPA responses received for reasons including clarity, completeness and compliance with administrative and legal processes.

The contents of the report are compiled by the Inspectorate body.
