Staffing	<p>There is a named designated person in charge working in the service each day and a second person who is available to deputise in the event of an emergency.</p> <p>The staff working in the service have childcare qualifications.</p>
Methodology	<p>The inspection was an announced inspection to assess compliance with the Childcare Act 1991 (Early Years Services) Regulations 2016 and Childcare Act 1991 (Early Years Services) (Amendment) Regulations 2016. The Inspection focused on regulations under four themes: Governance, Health, Welfare and Development of the Child, Safety and Premises.</p> <p>The findings on inspection based on information obtained through examination of documentation, direct observation, and discussion with relevant staff are documented in the inspection report and taken into consideration when making a decision in relation to the registering application. The Inspectorate reserves the right to edit responses received for reasons including clarity; completeness; and, compliance with administrative and legal processes. The contents of the report are compiled by the inspectorate body.</p>
Acknowledgement	<p>The Inspector wishes to acknowledge the cooperation of the proposed registered provider , staff and the school principal present on the day of the inspection.</p>

Part III - Management and Staff

Regulation 9 – Management and Recruitment

(1) A registered provider shall ensure that—

(a) the service has a designated person in charge and a named person who is able to deputise as required.

Requirement met:

(1)(a) The service will have a designated person in charge and a named person who is able to deputise available.

Part III - Management and Staff

Regulation 11 -Staffing Levels

(1) Subject to this Regulation, a registered provider shall ensure that there is at all times an adequate number of adults working directly with the children attending the pre-school service.

(8) Without prejudice to paragraphs (2) to (7)—

(b) a registered provider of a sessional pre-school shall ensure that, where the person in charge operates the service single-handedly, a second person familiar with the operation of the service and in a position to provide assistance to the person in charge in operating the service is, at all times, within close distance of the service and available to attend the service to assist the person in charge in the event of an emergency.

Requirement met:

(1) There will be an adequate number of adults working in the service as it proposes to have 1 adult supervising a maximum of 11 preschool children at any one time
 (8) (c) A second person familiar with the operation of the service and in a position to provide assistance if required will be available in the event of an emergency.

Part V - Care of Child in Pre-school Service

Regulation 20 - Facilities for Rest and Play

(1) *Subject to this Regulation, a registered provider shall ensure that—*

- (a) *having regard to the number of pre-school children attending the service, their respective ages and the amount of time they spend on the premises, there are adequate and suitable facilities for each child to play indoors and, where required by these Regulations, outdoors, during the day, and*
- (b) *there are adequate and suitable facilities for a pre-school child to rest during the day, and in the case of an overnight pre-school service, during the day and the night.*

(2) *A registered provider—*

- (a) *of a full day care service, a part-time day care service, a sessional preschool service or a childminding service that is registered for the first time on or after 30 June 2016, shall ensure that a suitable, safe and secure outdoor space to which the preschool children attending the service have access on a daily basis is provided on the premises.*

Requirement met:

(1)(a) Facilities for children to play indoors and outdoors were suitable as there were clearly defined interest areas in the 2 playrooms and sufficient play equipment was evident in the outdoor play areas. Play equipment will be rotated for use both indoors and outdoors.

(b) Suitable facilities for a pre-school child to rest during the day were available in the quiet/rest corner. An adult sized couch was available where both adults and children can sit comfortably, rest and have some quiet time together.

(2)(a) A safe secure outdoor space was available on site for outdoor play for the children. Safety in the outside play area has been included in the risk assessment policy for the service. Also the children will have access to the school yard , sport field and an additional enclosed outdoor area that has an all-weather ground surface covering.
